

Immersion Courses in Scotland for Teachers of English

About Us

LFEE Europe has been an international course provider since 2002

Our partnership with **Confluence Scotland** has produced a successful team of experienced and fully qualified native speaker teachers, committed to promoting British culture and the English language in Europe. This is our 17th year under this European Union programme, and our expertise in delivering in-service training courses is now recognised by many National Agencies.

About the Courses

- The venue is **Edinburgh**, capital of Scotland, a UNESCO World Heritage City
- The course includes information on the different UK education systems and also on Scotland's culture and history. Our courses are fun and motivating and take place in a relaxed and friendly atmosphere.
- **Please note that these courses are not suitable for beginners. The training sessions are delivered in English. Participants will be encouraged to speak English as much as possible in social situations and on the cultural excursions.**
- **Follow-up:** participants will receive a Certificate at the end of the week and will also have the opportunity to join a Europe-wide network of all participants

Aims of Primary School Teachers' Courses

- To improve methodological expertise in the teaching of English to young learners
- To provide participants with materials and ideas suitable for English at primary level
- To develop cultural awareness and understanding of contemporary Britain
- To improve participants' competence and performance in English
- To use Internet and other ICT resources in the classroom

Aims of Secondary School Teachers' Courses

- To develop cultural awareness and understanding of contemporary Britain and focusing on Scotland
- To enhance methodological expertise in the teaching of English to teenagers
- To enhance participants' discursive skills, update their vocabulary and gain new ideas and materials for use in the classroom
- To use Internet and other ICT resources in the classroom
- To use novels, short stories, songs and varied media in the classroom
- To debate current issues and to (re)discover contemporary British personalities

Aims of Courses for Teachers of English to Young Adults/Adults

- To develop cultural awareness and understanding of contemporary Britain
- To enhance methodological expertise in the teaching of English to young adults / adults
- To enhance participants' discursive skills, revisit and update lexical and grammatical skills and boost confidence
- To use Internet and other ICT resources in class
- To use published, authentic and audio-visual material in class
- To debate current issues and to (re)discover contemporary British personalities
- To share experience and ideas with colleagues from other European regions
