

DIPS: Developing International Projects for Schools with the Erasmus+ Programme 2022, Italy

DIPS programmes aim to equip School Teachers, Managers and Co-ordinators of International Projects with the essential tools to set-up their School international strategy and boost its international dimension, whilst ensuring these activities are sustainable. The courses provide participants with opportunities to enlarge their professional network, share good practice with colleagues and learn how to manage and implement lasting European projects. Our DIPS programmes have been developed with support from the International team in the Académie of Montpellier (DRAI) and are run by LFEE Europe in partnership with InterActing. DIPS takes place in various locations throughout Europe each year.

**DIPS 1 and DIPS 2 will be organised in Milan, Italy from:
25 September - 1 October 2022**

**DIPS 1 and DIPS 2 will be run in parallel at the same venue with
flexible scheduling to optimise your training experience.**

Funding for our DIPS courses is available through the **European Union Erasmus+ Programme**. Maximum number of participants is 200: 100 for DIPS 1 and 100 for DIPS 2. We aim not to have more than 35% of any one nationality per course in order to emphasise our focus on internationalisation.
